Resume objective

I am an software developer and a graphic designer who has completed his studies at Strathmore University. I have worked in the IT department as an assistant and I have been able to interact with a lot both in the IT sector and work environment.

Work experience

Jan 2020 - Mar 2020

Support Staff
Muhuri Muchiri, Nairobi
Worked as a Physical Education teacher for the students at Muhuri Muchiri Secondary, where I also engaged as an assistant coach for the school's rugby team.
Worked with the administration as an IT support and took part in registering students into the school NEMIS system, digitizing of notes and making repairs for IT related problems.

Feb 2021 - Mar 2021

IT Assistant
Keysian Auctioneers Debt Collection and Recovery, Nairobi
Worked in the IT department of the debt collection firm as an IT Assistant. Was responsible of being the IT support where I fixed any errors that would arise from the users. My responsibilities also included server administration and network maintenance. I registered new users into the company's system and enrolled them into the telephony services.

Education and Qualifications

Jul 2018 - Jan 2022

Bachelor of Science Informatics and Computer Science
Strathmore University, Nairobi
Studied for my University degree in Bachelor of Science in Informatics and Computer Science.

Feb 2014 - Nov 2017

K.C.S.E
Lenana School, Nairobi
Studied for my high school education at Lenana where I finished with a mean grade of B+ in the K.C.S.E.

Nov 2013
